

## Summerour Studio

Summerour Studio is an old-world refurbished factory overlooking Atlantic Station with a great skyline view! Summerour blends the past and present perfectly. Renowned architect Keith Summerour of Summerour and Associates updated the building in 2005 after it was the long-time home to Preston Rose Printing; the building has been in operation since the 1920's. The 8,000+ square feet of space is wide open with great windows to capture the view. As you arrive to Summerour, you enter through arches into a beautiful courtyard that rivals the Villas of Tuscany. The main event space has many wonderful details that reinforce the architectural background of this building, such as the original wood barrel vaulted ceiling and a hand carved Michael Angelo replica staircase. The upstairs Mezzanine adds an additional 2,000 square feet of space that captures the sweeping city views and overlooks the gorgeous courtyard. Convenient to Downtown, Midtown, Buckhead, Atlantic Station and the interstate, this is the perfect setting for both social and corporate events. Consider Summerour Studio for your wedding ceremony and receptions, rehearsal dinners, Bar and Bat Mitzvahs, corporate events, auctions and fundraisers, and holiday parties.

The capacity for events varies based on the style and type of event, seating requirements, dancing area, outdoor spaces desired, audio visual needs etc. The main event space is a 60' X 140' room with beautiful lighting and a built-in bar. The outdoor courtyard has beautiful gardens with wonderful lighting. We host events from 75 guests to up to 400.
