

# BISHOP STATION

Centrally located in Midtown, Bishop Station is a secret gem tucked away from the hustle of the city, yet it boasts an unmatched city skyline view of both midtown and downtown. This historic building was originally home to Gulf Oil Company in the 1920s and has been lovingly restored to its original splendor. The venue is composed of 2 levels of open event space as well as a large outdoor courtyard.

The main room is 3,600 square feet of chic industrial space with pristine hardwood floors in a chevron pattern. The walls are antique brick with three sides of expansive windows. A tall curved pine ceiling is finished by two ornate iron chandeliers. Take the elevator or the stairs to the lower level where we have an additional 3,600 square feet of event space that includes a furnished lounge area and a beautiful built-in bar. The barn door which is original to the building and in working condition is the perfect accent that leads to the outdoors. This level is ideal for cocktail hour, dinner or even a speakeasy. The outdoor courtyard blends beautifully with the main room for a continuation of airy event space. This area is composed of historic brick pavers and an outdoor fireplace perfect for the colder months. Planters and string lights complete the look. The details at Bishop Station give this venue a crisp, clean and modern finish. Bishop Station is a great space for virtually any event.
